

## **Eugene School District 4J 2008-2009 Online Subscription Information**

Below are the (5) online subscription services that were purchased by Eugene SD 4J or Lane ESD for our District use. The following is information about how to login and/or register for each service.

### **FOR ALL K-12 STUDENTS AND TEACHERS:**

#### **NetTrekker d.i.**

<http://www.nettrekker.com>

**A generic student username and password has been created for your school. Please see your building tech rep for that login.**

Teacher, students, and parents have the ability to create their own usernames and passwords from our registration page. Please follow the instructions below to complete registration.

1. Log on to the website at [www.netTrekker.com](http://www.netTrekker.com).
2. Click Register located in the upper right corner of the page. A "Create New User" page will display.
3. Create a username. This can be any combination of letters or numerals you wish, but cannot contain any spaces or special characters. The username field is case sensitive.
4. Create a password with a 5-character minimum. The password field is case sensitive. Re-enter your password for verification.
5. Choose a question from the drop-down menu and provide an answer that you will easily remember. If you forget your password later and use the "Forgot Your Password?" feature, NetTrekker will ask you the question you chose. When you type the response that matches the Answer you typed during registration, NetTrekker will reset your password.
6. Choose your school role as student, teacher, or parent. Click Next to proceed to the next page. Select your state from the drop-down menu, and enter the first word of your school's name.
7. NetTrekker will display a list of schools that contain your school name. Highlight your school by clicking on your school name and click "Done".

8. A "Welcome to NetTrekker" page will be displayed. Click "Done". Your registration is complete and you have full access to NetTrekker.

If you have questions, please contact the NetTrekker customer relationship specialist team at Thinkronize, the developers of NetTrekker. A specialist is available from 8 a.m. to 6 p.m. weekdays EST. We welcome feedback from our customers and look forward to hearing from.

**FOR STAFF USE ONLY**

**Learn360**

The first time you setup (register) for a Learn 360 account you will need to go to a specific URL that contains the Pass Key Code for each school. An email from Misty Forsman was sent out to each school staff list. If...for some reason... you did not receive the email, ask your SCHOOL Tech Support Person to contact Misty Forsman <forsman@4j.lane.edu> directly to obtain the Pass Key Code for your school.

For additional questions, support, or to schedule a school-based training, please contact:

Kate Weber  
Lane ESD  
541 461 8292  
kweber@lane.k12.or.us

**Atomic Learning**

Click on the following site link in order to create an account.

URL: <http://www.atomiclearning.com>

Username: Your complete 4J email address (ex. [ketterer@4j.lane.edu](mailto:ketterer@4j.lane.edu))

Password: The first (2) letters of your last name with the FIRST one CAPITALIZED followed by your employee six-digit number. (ex. Ke121312)

If you are not sure of your employee number, it is printed on your pay stub each month.
